Product Description

JAC 92hp Eu 2 Engine 3 tons Logistic cargo van truck

Freight trucks, generally referred to as cargo trucks or trucks, include dump trucks, tractor trucks, off-road trucks in off highway and roadless areas, and various vehicles specially manufactured for special needs. Refers to vehicles primarily used for transporting goods, and sometimes also refers to vehicles that can tow other vehicles, belonging to the category of commercial vehicles. Generally, vehicles can be classified into two types based on their weight: heavy and light. The vast majority of trucks are powered by diesel engines, but some light trucks use gasoline, petroleum gas, or natural gas.
